Evidence: Glimpses of the workshop

Glimpses of the feed back

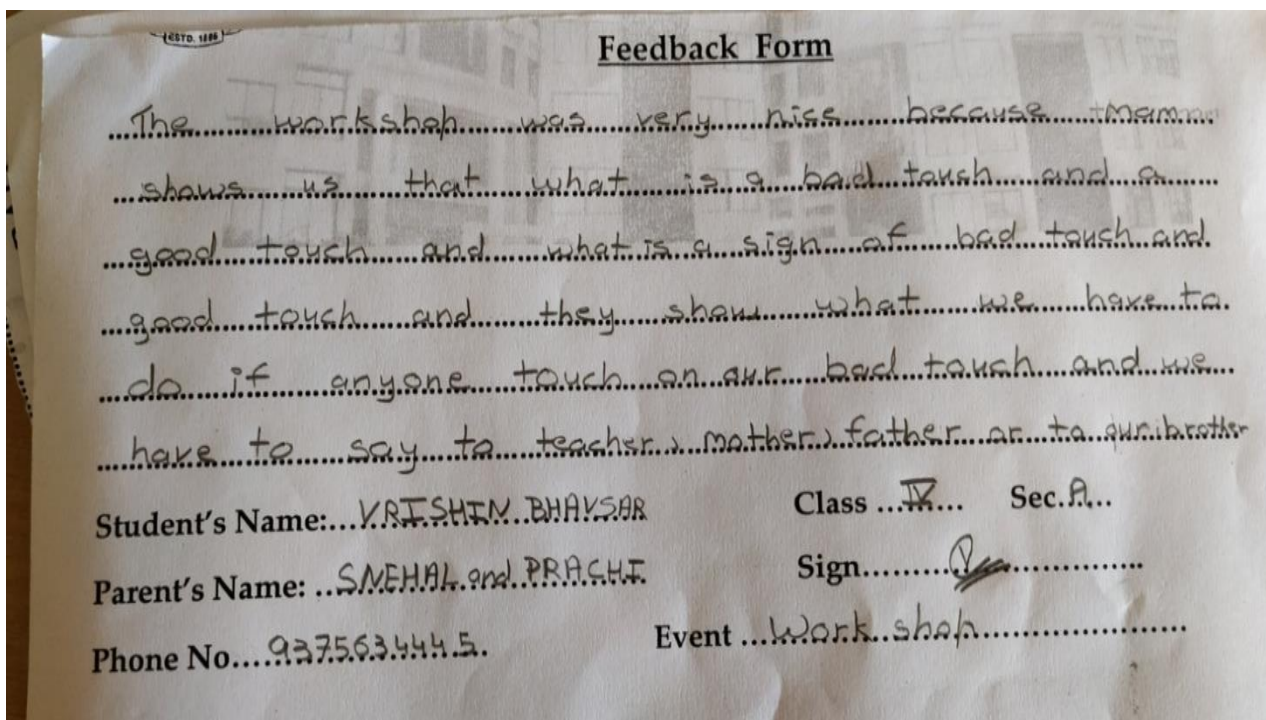

According to Tanay Jain (IV A) : The workshop was very informative and got a chance to learn many things.

The workshop held on 19/8/19 was very helpful for us. It made us learn good touch and bad touch. We enjoyed a lot with mam. It was very enjoyable for me as I learnt something and enjoyed a lot. I thank principal mam for this workshop.

According to Vrishin Bhavsar (IV A) : He learnt about the signs of good touch and bad touch and also got to know what should be the response after a bad touch.

The workshop was very nice because mam shows us that what is a bad touch and a good touch and what is a sign of bad touch and good touch and they show what we have to do if anyone touch on our bad touch and we have to say to teacher, mother, father or to our brother.

Feedback Form

I learn from workshop that, we should
shout "No" if some do bad touch. bad touch
are chest, mouth etc
We should also dont do bad touch.

Feedback Form

It was the nice workshop of good touch and bad touch
because mam told us what are good touch and bad
touch. I like it as mam explain nicely and we
understand properly. We know that what is
good touch and bad touch nicely.
