

DAV MUKHYAMANTRI PUBLIC SCHOOL ORCHHA DIST:NARAYANPUR (CG)

SCHOOL INFORMATION

The school started its journey as the only CBSE school in the year 2016 by DAV Managing Committee New Delhi , with a joint venture of Govt. of C.G on PPP mode. It is situated in village Orchha ,under Orchha Block having the population of 34950 .The literacy rate of the area is 33.39%.The area is one of the most backward and interior and nothing modern amenities are available. The infrastructure of our school is very poor and the response on any matter from parents end is very poor. So our mission and vision is to uplift the current status of the area by catering quality education to the students.

- **School Effort Towards Community** : From the very beginning our school tried to spread awareness among the community regarding the value of education. Computer literacy and communicative language are two special activities organized in our school frequently . Parents, teachers and students also participate in the program and thus the area is getting developed day by day.
As a response to the school Effort Towards Community the following person gave some following comments –

1.kamli Lekam (People representative of the Abujhmad) said that the staffs are very much dedicated &disciplined to the school, despite of being unavailable of infrastructure of the school.

2. Basant Lavatre(Add. Sarpanch) said that school provides a very good education to the wards of the area.

- **Parents Teacher Meeting** : Parents Teacher meeting is an effective and useful tool as it offers a great platform to both parents and teachers to develop a healthy and strong relationship for the holistic development of a child. Sharing daily experience and observation provide a wider prospect for parents and teachers to plan , prepare and execute planning for better learning outcome of a child. The school organizes parents – teacher meeting after each exam. For class X & XII the meeting organized every month. Beside school is always in touch with the parents through phone call , whatsApp group for growth & development of students.
- **Co – Curriculum Activities** : Considering the importance of co – curriculum activities , the school conducts various Co- Curriculum activities which are designed and balanced with the academic curriculum. So that every students gets opportunity and platform for their all round development. These activities helps students to develop problem solving, reasoning, critical & free thinking communication & collaborative activities.
