IMPORTANT UPDATES! DAV CBT 2024

CBT candidates who could not appear on 18.03.24 due to server issues will be appearing on 27.03.24 (afternoon shift-3.15 to 5.15 pm). They will use the same admit card dated 18.03.24. Mails are being sent regarding the same.

For other scattered cases of a few candidates who couldn't appear due to technical/regional font issue, mails are being sent to candidates for selection of centre and downloading the admit card. They will also be adjusted on 27 March (afternoon shift) but with a new admit card with new date/centre.

We are also allotting new dates to those who could not select CBT centre earlier, to select their centre and appear on 23 or 24 or 27 March as per Date sheet II.

We are also trying to accommodate the absentee candidates on 23 or 24 or 27 March on first come-first serve basis, since days/seats are limited. They too will select their centre again and download a new admit card.

All updates will be flashed on the website soon.

Please inform your staff members to keep checking for updates and book their seats well-in-time.

Thanks & Regards
