

BUILDING SAFTY CERTIFICATE

It is certified that the building of **“DAV Public School at Duttnager”** Teh Rampur Distt. Shimla (HP) has been inspected by the Junior Engineer section Bhadrash. The Building is RCC framed structure. As per visual inspection of the building, it seems to be safe for running of school for the session **2020-21**. However, structural stability cannot be ascertained due to non availability of structural drawing i.e. detail of foundation, steel and other specification required for the building construction as per IS building code. The department does not take any responsibility on account of any legal complications arising at a later stage due to issue of this certificate.
