'Plant a tree for a better tomorrow.'

A week long festival in the first week of July was celebrated at DAV Public School, Sector 14 & 10A, Gurugram to spread awareness about the importance of forests, woodlands and trees in our lives. The tiny tots of Kindergarten burst with enthusiasm and excitement while observing enactment by the teachers on ' Save trees.' The kids were briefed about the importance of trees in our lives in the morning assembly. To sensitize the children to become the crusaders for environment conservation, sapling plantation activity was carried out. They enjoyed headgear & badge making activities, story session and rhyme recitations.
