Dear Parent

The Safety and security of the children is our prime concern. As partners in their holistic growth, it is of prime importance to ensure that every student of the school is safe at all times. Circulars to the same effect have been sent periodically on a regular basis. The school transport is the safest mode of transportation and has adequate coverage area to facilitate student transportation.

In case your ward is travelling to school through private conveyance, please ensure that the van fulfills all safety and security norms.

Ensure that the van drops your ward to school not before 7:40 a.m. at Senior Wing, 8:00 a.m. at Primary Wing and 8:10 a.m. at Nursery Wing. **FOR PRIMARY WING please tell the private transporter to drop the child only at the front gate in the morning. In the afternoon, they may pick up may be from the back gate also.** Ensure that your ward is picked up soon after school closes and is not left to move around after school hours.

The school maintains no connection with any private transporter whatsoever. The use of private conveyance is totally at your discretion. The school may not be held responsible for any untoward incident occurring outside the school premises or in the private conveyance. Please sign consent form given below and submit to class teacher by 18th September 2017 (Monday) positively.
