Dear Parents,

CLASS X

The year 2021 has seen revolutionary changes in the evaluation system of CBSE Board classes and the entire examination system has seen an overhauling. And yet, it is commendable that parents, teachers and students and taken challenges in their stride.

The process of admission to class XI is just round the corner. I would like to share with you the criteria for admission of your ward in class XI.

Please note that students of class X will be allotted streams on the basis of their performance (marks received) in the **offline Pre Board Exam of Term I**. The stream can be further upgraded after the declaration of **CBSE offline Term I Examination results**. However, the stream will be finally allotted on the basis of **Results of Term-I Objective Exam and Term-II Pre-Board Subjective Exam** (which will be conducted in the month of February in the school)

Classes for the new academic session of class XI will commence soon after the end of CBSE Term II final Board Examination. **No change will be made in the stream after declaration of the final Term II exam result**.
